Won't you
sta - - y won't you sta - - yay
no no no no no no no just try
some time I just think you might 'Cause I don't wa-nna
fall in lo-ve if you don't wa-nna try, but all that I've been
thin-king of is may-be that you might And babe it looks as
though we're run-ning out of words to say, and love's floa-ting a - way
Won't you sta - - - y
won't you sta - - - y
